2010 Message

At this time of year, we often think of things that we would like. I have decided to make a short list of 5 things I wish for the Borough.

1. I wish that we continue to appreciate the fine dedicated police force who serve us 365 days and thank them for making Sea Girt a safe environment for our friends and family. I wish everyone to appreciate our volunteer fire company who keeps the Borough safe all year. Thank you, to all of the Sea Girt Borough Police and Fire Department!
2. I wish our governing body keeps doing the excellent job it has been doing for years now! I wish they all continue to work together and keep Sea Girt heading in the proper direction. Thank you to the Sea Girt Borough Council and all our employees.
3. I wish that our incredible volunteers continue to keep Sea Girt in their hearts and continue to donate their precious time that makes this Borough special. Thank you to our volunteer community.
4. I wish that we continue to appreciate our terrific school system and the dedicated teachers that make Sea Girt a Blue Ribbon School. Thank you to our School Board and all our teachers and the school employees.
5. And finally I wish that the fine people of Sea Girt continue to work together to make this the best town in NJ. Thank you to all the wonderful residents of Sea Girt.
