UPON MOTION of Councilman Perry, seconded by Councilman Clemmenssen, carried, that the meeting be opened to the public for comments on the said Ordinance only.

Ray Bogan noted he received a letter dated October 27, 2021 from Mr. Genova on behalf of Mr. Lauzon and Candice Kadimik addressing provisions in this ordinance.

John Ward, Beacon Boulevard commented property owners should have extended hours over commercial operators; hours to operate snow removal is unclear.

Sharon Kregg, Brooklyn Boulevard commented commercial operators using leaf blowers until 6:00 pm is too late; times are too lenient to commercial businesses. She commented she is fine with snow blowing equipment during a storm.

Gary Lynn, Beacon Boulevard questioned Table 1; Lieutenant DeMillio explained Table 1 and that The Parker House would fall under the first half since there are no other commercial properties nearby.

Nick Pellegrino, Attorney for Genova Burns asked for clarification on noise being enforced without a complaint being issued. Mr. Bogan responded in his opinion the Police are able to take action without a complaint from a resident if they directly observe a violation. Mr. Pellegrino then questioned Sec. 3-1.3 testing noise indoors. Chief Macko responded a majority of the readings will be taking outside; the statue 7.21explains the criteria of when readings could not be taken outside.

Henry Bossett, Chicago Boulevard commented on the importance of the enforcement of this ordinance comparing to other local towns.

Mr. Bogan noted there was a provision originally published with a footnote after a table which did not apply to this ordinance which has been eliminated. It did not change the substance or character of this ordinance.

There being no further comments from the public participating and **UPON MOTION** of Councilwoman Giegerich, seconded by Councilman Clemmensen, carried, the public hearing was closed.

Councilwoman Giegerich questioned the observance of holiday schedule. Mr. Bogan noted the official date of Observance shall govern. Councilman Begley, Council President Anthony, Councilwoman Giegerich, Councilman Clemmensen support a time change for commercial operators to 5:00 pm. Mayor Fetzer commented this would be a substantial change to the ordinance at this time and could be amended in the future. He asked that the Public Safety Committee consider a time change amendment for both commercial operators and home owners.

UPON MOTION of Councilman Clemmensen, seconded by Council President Anthony carried, that the said Ordinance No. 14-2021 be adopted on final reading, directing the Clerk to post and publish as required by law.

10. PUBLIC PARTICIPATION ON ANY SUBJECT:

Pat Rodgers, Baltimore Boulevard thanked those attended, volunteered and supported the Fall Beach Sweep.

Geraldine O’Keefe, Seaside Place commented she doesn’t object to an additional paddleball court but Crescent Park is not the proper venue.

Sharon Kregg, Brooklyn Boulevard commented the petition is too restrictive; doesn’t support additional paddleball court in Crescent Park.

Phil Vasan, Ocean Avenue commented he is in agreement that the wording of the petition is too restrictive; the spirit is to protect the forest, not to restrict the town from protecting the forest. He added he respects the Borough Councils view that the technical reading of the petition does not compel the Borough to act, but he would like council to respect the spirit of the residents.

Sue Sharp, Stockton Boulevard concurs with Mr. Vasan’s comments and that the petition needs to be clarified.

Mr. Gant clarified through the democratic process of our public meetings, we handled many of these discussions and through The Stewardship Plan we agree with the comments made on the preservation of Crescent Park which was codified and adopted.

There being no further business, and **UPON MOTION** of Councilman Clemmensen, seconded by Councilwoman Richman, carried, that the meeting be finally and immediately adjourned at 8:30PM.
